

## Daily Bible Reading Journal for May 24–May 30

The Bible Reading Journal is provided for you so you can get the most out of your daily Bible reading.

The reading plan is indicated for each day in this Study Guide. After reading the assigned chapters, follow this four-step process:

**Scripture:** Write out, word for word, a verse that caught your attention while reading.

**Observation:** Write down some interesting things you see in the verse you chose. What does the verse teach you about God? Is there a promise to claim? Is there a command to obey? Are there questions you have about the content of the verse?

**Application:** What does this verse say or imply I am supposed to do? How can my life change for the better because of what this verse is saying to me? What will I do today because of what I read today?

**Prayer:** What kind of help do I need (from God and/or others) so I can apply the principle(s) found in my verse for the day? What needs do my family and friends have that I can give to God on their behalf? How has God been answering my previous prayers?

Your Bible Reading Journal is a record of your spiritual growth. Some of our Small Groups are using the Bible Reading Journal as the basis for their Bible studies. If you are not in a Small Group, contact the church office today and we'll help you find the one that's just right for you!
